**NOTICE TO CUSTOMERS WHO PURCHASED ENCO BANDSAW  
MODEL #505-6841 WITH MANUFACTURE DATE ON OR AFTER AUGUST 6, 2001**

**September 17, 2009, Farmingdale, NY** - Enco is notifying customers that Model #505-6841, 5 x 6" Bandsaws which were sold between August 6, 2001 and August 31, 2009 have installed motors with unauthorized UL Recognition marks for the United States.

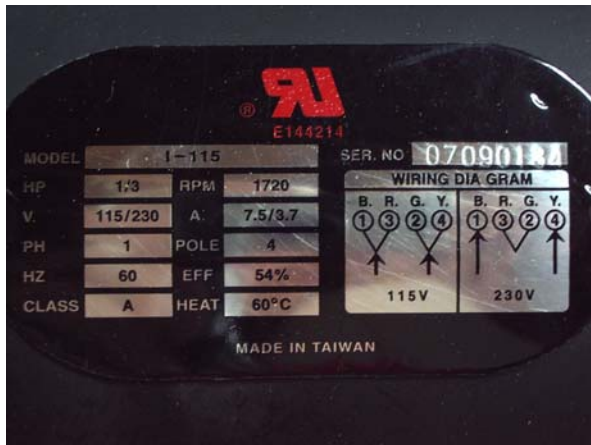

**Name of Product:** 5x6 horizontal/vertical bandsaw, Enco Model# 505-6841 (Vendor's Model# RF-128UL).

**Number of Units Affected:** Approximately 800 bandsaws sold by Enco between August 6, 2001 and August 31, 2009.

**Manufacturer of bandsaw:** Fan Tastic Quality Group Co. Ltd., Taichung, Taiwan

**Manufacturer of bandsaw motor:** Chu Ta Electric Industry Co. Ltd., Taichung, Taiwan

**Identification of bandsaw motors with unauthorized UL Recognition marks:** Affected motors have labels with the "RU" UL recognition mark and listing number E144214. These motors are installed on Enco 505-6841 bandsaws sold by Enco from August 6, 2001 through August 31, 2009. UL withdrew the listing from the motor in question on August 6, 2001 per the motor manufacturer's request.

**What you should do:** Contact Enco at 800-873-3626 to arrange for a replacement motor.
